

DID YOU KNOW?

The County wants to take money out of your check!

We must let the Board know NOT to balance the budget on the backs of employees and that the following ideas are not acceptable!

- Suspend Step Increases for FY 2008/2009
- Suspend Promotions for FY 2008/2009
- Suspend employer pick up of 50% regarding Basic-Miscellaneous Retirement and Basic-Miscellaneous Supplemental Retirement effective pay period following Board approval and necessary modifications through the end of FY 2009/2010

SEIU Local 521 believes the County cannot legally impose the suspension of the Step Increases due to the fact that these were negotiated in the MOU.

Increases to your retirement costs is illegal. SEIU Local 521 will pursue legal action if necessary to protect its members rights!

In the event the proposals are taken back to the Board for consideration, **be prepared to take some action with the rest of the members who are fighting to keep what we have. To participate contact the Union office at (559) 447-2579 or sign-up online at www.seiu521.org!**
