- D. Minutes:** There was no minute approval. We were excited about the trip to Stanford Museum. The minutes were forgotten.

- E.** Each one was given a map going to Stanford Museum. Just in case we lost, we have something to look at.

- F.** I did not see any agenda for the trip to Cantor Arts Center, Stanford Museum. We should or we should not.

- G** **We** arrived at Stanford Museum at 2:00 pm. We started looking around. The first thing to look at was the picture of Leland Stanford Junior the year 1884. The picture of senior Leland Stanford was big in the year 1824. The beautiful Jean Lathrop Stanford was huge in the year 1893. She looked like a queen being a rich lady. There was a woman coffin from Egypt in 21st dynasty 1070-945 B.C. The Tibetan Buddhist had six arms and eight arms in 18th century. The China dynasty in gold plated in 1368-1644, Vietnam dynasty in 1400-1600, Korea dynasty in 1392-1900. The China 19th century dragon 1868-1912, New Mexico plate ceramics 1930, China bowl in 1890, Italy sorceros in 1690, Madonna in glory in 1670 and lot more to see. I would like to invite everyone to visit Stanford museum. It had a lot of wonders displayed all over the world. At 3:30 pm we got out of the museum. At 3:35 we sat on the ground under the shade to eat our own food in a bowl, chicken teriyaki late lunch. We formed a circle while watching the guys playing volley ball. At 5:09 pm, we arrived at SEIU office at Zanker Road. I brought back the girls safely and sound. This trip was wonderful. The first time I visited the museum in a long time. Probably the girls enjoyed it too the same thing as I do.
