

WHEN

Saturday, January 20, 2018 Gather: 10:30am
March Kick-Off: 11am – 3pm

WHERE

Nees & Blackstone, between River Park and Villagio Shopping Center

WHO

The march is open to everyone who stands for human rights, civil liberties, tolerance of diversity, & compassion for our shared humanity.

FIRST WE MARCH, THEN WE VOTE

Our votes matter. And our collective vote can create transformative social change in the 2018 Mid Term Elections and beyond. We will use the power of the Women's March on this day to bring attention to, and amplify, the amazing community organizations that are working in communities across CA and the country to turn out the vote in 2018.

The 2018 Anniversary event will provide participants the tools and motivation to use their vote to build a government that reflects our combined future vision. We will create a safe and peaceful space where the important issues of voter turnout, access, restrictions, and intimidation will be addressed and begin a plan of action leading up to November 2018 and beyond.

HEAR OUR VOTE
