URGENCY FOR WORKERS URGENCY FOR OUR COMMUNITIES

NO URGENCY FROM THE COUNTY

Your bargaining team presented opening proposals to the County and there is **NO URGENCY** from the County to reach an agreement. We have yet to come to any agreement on our opening proposals which address your concerns over wages and benefits; some have been outright rejected.

Investing in our workforce ensures we can provide quality services to our community. There is an urgent need for the County to invest in our communities and our workers.
