The County will facilitate the provision of voluntary long-term disability insurance via the payroll deduction process. It is understood that long term disability insurance is wholly voluntary between the employee and the insuring company and that provision of such insurance is subject to the terms

and conditions set by the insurance company and may be cancelled by the insurer if minimum enrollment standards are not met. In the event of cancellation the County will no longer be obligated to facilitate long-term disability insurance.

13.6 All Insurance

The County continues to have the right and the obligation to administer the various insurance programs. These right and obligations include but are not limited to the right to select the carriers and insurance claims administrators after prior meet and consultation with the Union. Changes in insurance carriers or administrators shall not result in any appreciable reduction in benefits. In the event a change in insurance carriers is made, an open enrollment period will be authorized.

SECTION 14 – STATE DISABILITY INCOME PROTECTION PLAN

It is agreed that R-Unit employees shall be covered by the State Disability Income (SDI) Protection Plan at their expense. The SDI benefit will be integrated with County sick leave benefits.

SECTION 15- HOURS OF WORK

The County recognizes that long duty hours extending over an unreasonably long period of time or onerous, on-call schedules are not consistent with the primary objective of education or the efficient delivery of optimal patient care. The County thereby commits itself, through the Director of Family Practice Residency Program, to fair scheduling of duty hours for Residents, including provisions of adequate off duty hours. Residents are classified as exempt and must be in compliance with Program Requirements For Residency Education in Family Practice (ACGME) Guidelines.

Call duty assignments shall not exceed fifty-two (52) days per year or an average of once every seven (7) days except in an emergency or as required by reduction in available staffing or modification in the scope of the Residency Program.

The County will provide the Residents with at least one (1) day (a 24 hour period), out of seven (7), averaged monthly, away from the Residency Program as provided for by (ACGME).

The County will make reasonable efforts to provide adequate staffing to meet these duty hour goals.

Subject to staffing considerations required to meet critical patient service needs, as determined by the Residency Director:

1. The County will recognize and abide by the following ACGME proposed amended ACGME “Minimum Requirements for Resident Duty Hours” provision.
2. Consecutive hours of work shall be limited as recommended by ACGME guidelines.
3. The County shall provide the flexibility for Residents to propose cooperative work schedules that result in four (4) days free of patient care responsibilities over a four-week period.

In the event of the program's loss of a Resident Physician for 60 or more days, Resident Physicians shall be eligible to receive compensation (cash or compensatory time-off) on an hour-for-hour basis for covering "on call" and "night float" shifts left unassigned as a result of the vacancy. This benefit shall exist only to accommodate vacancies as described herein and shall terminate upon the filling of any such vacancy. The terms of this benefit shall not set a precedent to change the Resident Physicians' overtime eligibility with the County or FLSA eligibility status in any way whatsoever.

SECTION 16- CONSULTATION OF PROGRAM MODIFICATION

The County agrees that management representatives will consult with the Union and designated bargaining unit members on any reduction-in-force or change in the scope of the Residency Program. Such consultation will occur at least six months prior to making final decisions.

The County agrees to arrange a meeting between any successor employer and the Union for the purpose of discussing a smooth transition of operations, employee wages, hours, working conditions, and Union recognition.

In the event of program closure, Monterey County commits to working cooperatively with the Union Residents and the American Academy of Family Practice towards their successful placement in other comparable Family Practice programs.

This article shall not be subject to the grievance procedure.

Matters of serious nature (e.g. fraud, embezzlement, falsification of records) shall require written notice to the employee of disciplinary action within three (3) years after the event which gave rise to the disciplinary action. Disciplinary action based on fraud, embezzlement, or the falsification of records shall be valid, if the notice of such action is served within three (3) years after the discovery of such fraud, embezzlement, or falsification.

Nothing herein shall preclude the County from disciplining an employee for cause which consists of a course of conduct or history of performance that began more than three (3) years prior to the notice of disciplinary action. Such disciplinary and/or performance record of beyond three (3) years shall be used only to determine the disciplinary penalty to be imposed.

The parties shall select a mutually acceptable arbitrator. The fees and expenses of the arbitrator shall be shared equally by the parties, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

SECTION 23- LAYOFF PROCEDURES

23.1 Policy

The County may lay off an employee because of lack of work, lack of funds, material change in duties or organization, or in the interest of economy or causes outside the County's direct control.

The County shall inform the Union regarding the effects of any planned reduction in force or layoffs affecting one (1) or more full-time equivalent positions within the bargaining unit. Departments and employees covered by other layoff procedures; i.e. Local Agency Personnel Standards, State Merit System, or Anti-recession Federal Regulations, shall be governed by those procedures.

23.2 Procedure

Layoffs will be determined within County departments, not the County as a whole. In the event of a reduction in force in department, the department head shall designate the classes, positions, and number of employees to be eliminated. The department at this time shall provide the Union with a current seniority list for those employees and classes affected. Layoffs shall be made among all representation unit employees in the same class within a County department in the following order:

- Temporary employees
- Probationary new employees (excluding promotional probationary employees.)
- Seasonal employees *
- Permanent employees.
- Excluding the Agricultural Department*

No permanent employee within a department shall be laid off in any class if there are temporary employees in an active status in the same class within that department.

Layoffs shall be ranking sequence of employees except as otherwise provided herein. For purposes of layoff, rank shall be defined as the length of continuous service in a class series as determined by County personnel records while occupying a permanent position within the County. Continuous service for purposes of ranking for layoff shall be defined to include work related injury leave of up to one (1) year's duration.

A permanent employee of Natividad Medical Center subject to layoff shall be entitled to assume temporary employee status in lieu of layoff provided the employee is qualified to assume the duties and responsibilities of an existing temporary position and class. No new temporary positions shall be created for the sole purpose of eliminating permanent employees. Layoffs of employees within each category of employment status within a department and within a class series shall be based on ranking sequence unless it can be demonstrated that: 1) an employee possesses special skills, training, or abilities, or 2) the employee's past job performance or disciplinary record justifies an alternative ranking, or 3) the employee may be, by virtue of ranking sequence, subject to disparate treatment.

A permanent full-time employee may elect to be ranked within employees in any class in the same department with the same or lower salary in which the employee has served in permanent status in the County service. An employee must notify his/her appointing authority within two (2) days after receipt of written notice of layoff of election of this option except if the second day following notice of layoff is not a regularly scheduled work day, the employee may give notice on the next work day.

No new employee shall be hired nor shall any employee be promoted in any class until all employees on layoff status in that class have the opportunity to return to work.

As an exception to the provisions of this paragraph, however, when the best interest of the County requires an employee with demonstrated special qualifications, skills or training, or for affirmative action considerations, the department head may make an exception to the above order of recall in order to appoint an employee out of ranking sequence.

Every employee given notice of layoff may request employment counseling and evaluation in order to determine those job classes within the County for which the employee meets employment eligibility requirements and desires to be considered for employment from a Preferred Eligible list. Such counseling and evaluation shall be available by appointment in order of request. Following the counseling and evaluation, laid off employee's name shall be placed on a Preferred Eligible List for each class designated as a result of the counseling and evaluation. When the Personnel Division receives a request to refer applicants to a department for a vacant position in a class for which there exists a preferred Eligible List, the laid off employee on the list shall be considered for employment prior to any job applicant.
