The number of Californians, over 14 million, that would be hurt by the repeal of the Affordable Care Act (ACA) due to Medi-Cal cuts. At stake are also subsidies received by 1.2 million to buy insurance through the state exchange.

Our fight is not over. We will continue to [#fight4ourhealth](#) when the bill heads to Senate. Join the fight: www.SEIU521.org/f4oh

SEIU 521 APALA organizes two events in May to celebrate Asian American & Pacific Islander Heritage Month.

Join Us!

May 13 in Fresno and May 20 in San Jose

Develop Leaders

Kern County workers are headed to the bargaining table and new leaders are stepping up to continue the fight for investment in our quality public services. Go to the SEIU 521 Region 5 Facebook page and wish them good luck!

May 30: Lobby Day Against Hate in Sacramento

We support five immigrants' rights bills, including the California Values Act (SB54) which protects all of us by making sure state and local resources aren't diverted to separate families or violate due process rights.

"It's important as a union member to support every member of our community, regardless of immigration status. The people here are our members, our friends, our families."

- **David Camacho Jr.**
Animal Services Officer
