**SEIU FOR
BILBREY**

POSITION B

Michael Bilbrey

Union Members support Michael Bilbrey because:

- He has dedicated his life to serving public employees as a union member and leader
- He has a 25-year history of fighting for benefits and rights for workers like us
- He understands that our pensions and health care benefits are under attack and will be a strong advocate for us

"We work hard for many years to earn our pensions. We sometimes sacrifice the higher pay we would get in the private sector to keep the secure retirement CalPERS provides."
- Michael Bilbrey
