

#RECOVERY4ALL

CARAVAN ACTION | Thursday, June 11, 2020 | 5:30-6:00 P.M.

Starts & ends at San Mateo County Garage, 400 Middlefield Rd., Redwood City, CA 94063

MAKE EQUITY THE NEW NORMAL

Join our caravan on Thursday, June 11, 2020, at 5:30 p.m. across the state in a day of public action! Together we are calling on elected officials to invest in our communities, workers, and essential public services such as healthcare, housing, child care, family services, and public safety.

We will meet at **San Mateo County Garage, 400 Middlefield Rd., Redwood City, CA 94063** at 5:30pm. Once assembled, we will follow each other by car, then drive back to the same location at around 6:00 p.m.

Let's invest in our people, our services, and our infrastructure to get our state back to work safely – **not** cut our way out of the crisis on the backs of Black and brown families, children, and seniors. As state legislators make budget decisions, we are making it clear that we refuse to allow a budget recovery to occur on the backs of people of color and everyday workers. Thousands of community residents and SEIU 521 members across the state are fighting for a #Recovery4ALL budget.

A **#Recovery4All** budget invests in everyday workers, uplifts neglected communities, and restructures our economy to begin to heal vast fissures of income inequality and structural racism.
