

SEIU 521 is a democratically-run, member-driven organization. That means members govern and are at the heart of every decision in our union. At the head of our member-driven governance is our union's Executive Board. Members elect the officers and executive board from among their fellow union members, every three years. Guided by SEIU International Constitution & Bylaws, they make decisions about our union's budget, policies, and other organizational issues. The officers and board members are active union members representing every division in our union.
