

Tulare Kings Women's Caucus Report for August 2022 By Kathleen Wilmes, Chair, Self Sufficiency Support Asst II, Tulare County

SEIU Local 521 Tulare/Kings County Women's Caucus was established in 2017 to provide support to the working women of Tulare and Kings Counties. The Women's Caucus provides fellowship, networking, and community involvement for our members.

We have updated our social media accounts on Facebook & Instagram.

We are also developing a landing page to make it easier to navigate to our platforms & have links to various resources & information. To learn more about our Women's Caucus or get involved, visit

With summer upon us, the Women's Caucus is turning to support members of our union & our community.

While Food Link did not have any Saturday dates available for volunteer work, the Women's Caucus will be donating in support of their services to those in our community that are still struggling with food insecurity.

The Women' Caucus will be taking a tour to Farmer Bob's World & making a sponsorship donation. Farmer Bob's World gives tours that educate school children, the public, industry leaders & legislators on the industry of Ag in its entire scope. How Ag touches so many seemingly unconnected industries. Farmer Bob's World is an example of where STEM (science, technology, economics & math) & world cultures come together in real life. Check out their website FarmerBobsWorld.com

The Women's Caucus continues to work on improving our social media & currently working on a landing page plus a QR code. This should help

navigate interested individuals to our social media accounts on [Facebook](#) & [Instagram](#).
