ARTICLE 8 – HOURS OF WORK, OVERTIME, PREMIUM PAY

County Counter Proposal

Section 8.1 – Hours of Work -Union TA to Section 8.1 and 8.2 on June 26

Eight (8) hours' work shall constitute a full day's work and forty (40) hours work shall constitute a full week's work unless otherwise provided by law, code or other agreement. Workers assigned to an eight (8) hour shift which is shortened to seven (7) hours due to daylight savings time shall be paid for eight (8) hours.

Section 8.2 – Overtime Work

a) Overtime Defined - Workers Covered by the Fair Labor Standards Act (FLSA)

For hospital workers, overtime is defined as time worked beyond eighty (80) hours in any fourteen (14) consecutive day work period, or beyond eight (8) hours in any workday except as mutually agreed upon between the County and the Union. For workers, who do not meet FLSA criteria for different work periods, overtime is defined as time worked beyond forty (40) hours in any seven consecutive day work period or beyond eight (8) or ten (10) hours in any workday (depending on the number of hours in the duty shift to which the worker is assigned). Workers assigned under FLSA to work periods other than seven (7) or fourteen (14) consecutive day work periods, shall have work periods and daily overtime defined accordingly. Time for which pay is received but not worked such as vacation, sick leave, and authorized compensatory time off, will be counted towards the base period. Workers shall not be assigned irregular work hours to avoid the payment of overtime. The County Executive shall determine by administrative order those classes and positions which shall be eligible for overtime work and for cash payment.

The County and Union agree that in any arbitration involving an FLSA non-exempt employee and Section 8.2 the arbitrator shall be strictly bound by U.S. Department of Labor, Wage and Hour Division, Regulations, Bulletins, Regional Opinion Letters and provisions of the Fair Labor Standards Act in reviewing, deciding and rendering a decision. The arbitration award and remedy must be in strict compliance with said Regulations, Bulletins, Regional Opinion Letters and provisions of the FLSA and cannot exceed that which would have been ordered by the DOL, Wage and Hour Division if the dispute had been submitted for their review.

If the Fair Labor Standards Act is determined by the U.S. Supreme Court or Legislation to not apply to state and local government Section 8.2(a) will be deleted and Section 8.2(b) shall apply to all classifications, in addition, Section 8.2(c) will be deleted and Section 8.2(d) shall apply to all classifications.

b) **Overtime Defined -Workers Exempt from the FLSA**

For hospital workers, overtime is defined as time worked beyond eighty (80) hours in a biweekly pay period, or beyond eight (8) hours in any workday except as mutually agreed upon between the County and the Union. For all other workers, overtime is defined as time worked beyond forty (40) hours in any workweek or beyond eight (8) or ten (10) hours in any workday (depending on the number of hours in the duty shift to which the worker is assigned). Time for which pay is received but not worked such as vacation, sick leave, and authorized compensatory time off, will be counted towards the base period. Workers shall not be assigned irregular work hours to avoid the payment of overtime. The County Executive shall determine by administrative order those classes and positions which shall be eligible for overtime work and for cash payment.

c) **Rate of Pay -Workers covered by the Fair Labor Standards Act (FLSA)**

When overtime work is assigned and is authorized by an appointing authority to be worked, compensation for such time worked shall be time off with pay computed at the rate of one and one-half (1-1/2) hours off for every hour of overtime worked, except that such overtime work shall be paid in cash at the rate of one and one-half (1-1/2) times the regular hourly rate when specifically authorized by administrative order of the County Executive.

FLSA compensatory time off accruals/balance shall be limited to a maximum of two hundred and forty (240) hours or four hundred and eighty (480) hours for Communication Dispatcher I, II, III, ~~Call Taker, and Complaint Center Dispatcher and Senior Communications Dispatcher.~~

All compensatory time off must be taken within twelve (12) months of the date the overtime was worked. Any balance remaining after twelve (12) months shall be paid in cash at the regular rate. Compensatory time balances shall be paid in cash on separation.

d) **Rate of Pay -Workers Exempt from the FLSA**

When overtime work is assigned and is authorized by an appointing authority to be worked, compensation for such time worked shall be time off with pay computed at the rate of one and one-half (1-1/2) hours off for every hour of overtime worked, except that such overtime work shall be paid in cash at the rate of one and one-half (1-1/2) times the hourly rate of pay when specifically authorized by administrative order of the County Executive.

All compensatory time off must be taken within twelve (12) months of the date the overtime was worked, and failure to take the compensatory time off shall be deemed a waiver of the compensatory time by the worker. In the event the appointing authority does not provide compensatory time off during the mandatory time period, the worker may take compensatory time off as a matter of right immediately before the end of the pay period in which the compensatory time

would be lost. Compensatory time balances shall be paid in cash on separation. A worker may elect in advance to receive compensatory time off credit in lieu of cash compensation for overtime where compensatory time off is allowed, if the appointing authority agrees.

e) The Union and the Department of Labor Relations, where permitted by law, may waive the overtime provisions of this Agreement in order to implement mutual agreements reached pursuant to Section 8.14 - Varying Hours.

f) **Distribution of Overtime**

In the absence of a departmental agreement on the subject, overtime work assignments shall be distributed among workers in the same classification and applicable work unit as equally as practicable, where volunteers exist, volunteers will be utilized first, when possible. Overtime work required beyond the regular eight (8) hour or ten (10) hour duty shift shall be offered first to the regular workers who normally work such assignments.

Section 8.3 – Work Schedules -CCL

a) **Hours of Operation**

It is recognized that unless otherwise established by agreement or practice, the regular County business hours are 8:00 a.m. to 5:00 p.m. and adequate coverage shall be maintained to assure the highest quality of service. Alternate work schedules based on eight (8) hour shifts with either one-half (1/2) hour or one (1) hour lunch periods may be established with starting and quitting times between 6:00 a.m. and 9:00 p.m.

b) **Alternate Hours Schedules**

It is understood that workers have the right to meet and confer at the department level on alternate hours. The parties agree that shift selection based on seniority, merit and ability being adequate, may be an appropriate method for determining shift assignments; however, the department may establish other criteria based on operational considerations.

Matters subject to alternate hours schedule negotiations under this Agreement to proceed as follows:

1. **Negotiations**

The Union or the department shall make prompt request to meet and confer, specifying the matter to be negotiated. The other party shall respond promptly, and they shall commence meeting and conferring at the earliest mutually agreeable date and attempt to reach agreement. Thereafter, either party may declare impasse in such negotiations.

If impasse is declared, the Union and the County shall commence mediation-arbitration which shall not exceed thirty (30) calendar days. The results of mediation-arbitration are advisory to Board of Supervisors. Costs of mediation-arbitration are to be split equally between the County and the Union.

3. **Board of Supervisors**

b) **Overtime Meals County Holds to June 26**

If a worker is assigned and works two (2) or more hours of overtime work at the worker's County worksite (excludes telework worksites) contiguous to his/her regular work shift or is called into the worker's County worksite (excludes telework worksites) within three (3) hours of his/her their scheduled quitting time and then works two (2) or more hours of overtime work, the County will pay a meal reimbursement of up to fourteen (\$14.00) dollars. Workers shall be provided an additional reimbursement as above for every seven (7) hour period of overtime completed thereafter. If a worker is called into the worker's County worksite (excludes telework worksites) after three (3) hours of his/her scheduled quitting time and if less than two (2) hours prior notice is given and the worker then works four (4) or more hours of overtime, then the County will pay a meal reimbursement of up to fourteen (\$14.00) dollars. Workers authorized meals pursuant to Section 8.4(c) or otherwise provided meals at no cost, are not eligible for meal reimbursement as outlined in this section.

The assigned overtime must be consecutive hours either before or after the workers' normal work hours and cannot be split.

Workers must provide a receipt for reimbursement up to the maximum amount.

c) **County Facilities**

2. Covered Classifications

An employee (as defined by Section 1) working in one of the classifications listed in Appendix Attachment AXX will be entitled to the meal periods and rest breaks as described in this Section and will not be entitled to meal periods and rest breaks under MOA Sections 8.4(a) and 8.5.

Management will consider the emergency needs of employees requesting to withdraw their waiver with less than two (2) weeks written notice.
- d. Within the parameters set forth in this Section, Management has the right to decide the length (e.g., thirty (30) minutes versus sixty (60) minutes) and timing (i.e., when during a shift) of a meal period.

4. Paid Rest Breaks

- a. For every four (4) hours of work during a shift an employee will be provided a paid fifteen (15) minute rest break.
- b. Within the parameters set forth in this Section, Management has the right to decide the timing of rest breaks.

5. Combined Unpaid Meal Periods and Paid Rest Breaks

- b. An employee who is scheduled to work and works at least eight (8) hours during a shift may, with prior Management approval, combine an unpaid meal period with one (1) or two (2) of their paid rest breaks during that shift. Employees combining an unpaid meal period with one or more paid rest breaks will only be paid for the portion of time considered part of the employee's paid rest break(s).
- c. Within the parameters set forth in this Section, Management has the right to decide the timing and order of the combined rest breaks and combined

meal period / rest break(s). Other than in emergency circumstances, the County will provide the Union notice and the opportunity to meet and confer regarding elimination of the combined meal period / rest periods, to the extent required by the MMBA and/or Memorandum of Agreement.

6. Monetary Remedy for Missed Unpaid Meal Period and/or Paid Rest Break

a. Subject to the limitations in this Section:

i. An employee who is not provided one (1) or more required meal period(s) required by this Side Letter will be entitled to one (1) hour of additional pay at their regular rate of pay.

b. The maximum monetary remedy for any workday will be two (2) one (1) hours of additional pay per one (1) continuous shift: (one hour for one (1) or more missed rest breaks and one (1) hour for one (1) or more missed meal periods).

c. A monetary remedy shall not apply where an employee chooses to work during a provided meal period or rest break.

Section 8.5 – Rest Periods -CCL

All workers shall be granted and take a rest period of fifteen (15) minutes during each half shift of four (4) hours of work. Rest periods shall be considered as time worked for pay purposes. If a rest break is not taken, the worker is not entitled to an earlier quitting time.

Section 8.6 – Clean-up Time -CCL

A worker who is On-Call pursuant to Section 8.7 and responds to telephone calls, or who responds to telephone calls for emergency purposes without having to leave home and return to a recognized work location shall be credited with twenty-four (24) minutes for each after-hour telephone call, or the actual time spent, whichever is greater. d) **Overtime Shifts**

Overtime shifts stand alone and shall be treated as two separate shifts for purposes of determining whether the night or evening shift differential rate is paid. (Total hours worked is the basis used for computing eligibility for the differential.)

e) **Part-time Workers**

Workers in part-time codes (twenty hours (20) or less in a work week) will receive the above differential if at least two (2) hours of an assigned schedule of contiguous hours meet the above guidelines.

f) **Eligible Classifications**

This is a package proposal that incorporates the new language in Article 8 – Hospital Weekend Shift Differential and the deletion of all Weekend Off and 3rd weekend pay provisions, including Appendix B. 14– Weekend Off Provision, Appendix E. 7– Weekend Off Provision, and any relevant Departmental Agreement language related to weekend off provisions or 3rd weekend pay provisions.

The County shall pay a weekend shift differential of two dollars (\$2.00) per hour to each worker in Budget Unit (BU) 921 Santa Clara Valley Healthcare, BU 415 Behavioral Health Services and BU 414 Custody Health Services for each hour of the worker’s regularly scheduled weekend shift that worker works between 12:01 a.m. on Saturday and 11:59 p.m. on Sunday. Workers must physically work the weekend hours outlined in this section to receive the differential. Vacation, sick, compensatory time, holiday time off, and personal leave do not qualify for the differential.

The County’s proposed weekend differential is contingent upon SEIU Local 521’s acceptance of the County’s proposal to eliminate all Weekend Off and 3rd weekend pay provisions, including Appendix B. 14– Weekend Off Provision, Appendix E. 7– Weekend Off Provision, and any relevant Departmental Agreement language related to weekend off provisions or 3rd weekend pay provisions. If SEIU Local 521 does not agree to eliminate all Weekend Off and 3rd weekend pay provisions, including Appendix B. 14 – Weekend Off Provision, Appendix E. 7 – Weekend Off Provision, and any relevant Departmental Agreement language related to weekend off provisions or 3rd weekend pay provisions, the County reserves the right to withdraw its weekend differential proposal.

Section 8.18 – Telework – County and Union TA to CCL on June 26

- a) **Telework Program**
The County of Santa Clara recognizes that flexible work arrangements and reduced commutes may benefit the employee, the department and the public by making the most efficient use of staff time.

The County shall maintain a teleworking program for workers in SEIU 521 represented classifications. The County shall provide training for supervisors and workers who meet the criteria for participating in the program.

The Union shall have the right to meet and confer over any proposed changes to the telework program.

b) **Eligibility for telework**

Eligibility is based on many criteria, and many job classifications and associated job responsibilities may not be conducive to teleworking. The following requirements are presented to help the employee and supervisor determine if teleworking is feasible. Additionally, a change in job duties and assignments, such as being assigned to work out of class, being assigned to a new project, or covering for coworkers who are out on vacation or leave, may affect eligibility. For this reason, it is the supervisor's responsibility to periodically assess the teleworking arrangement with the employee to address any change in eligibility.

Meeting any eligibility requirement does not guarantee approval to telework. Approval is given on a case by case basis; however, for approval to be given, an employee must meet all requirements.

Criteria for an employee to telework include:

- Full or part time status
- Permanent status (no original probationary status); others on exception basis only, subject to approval by department head
- Classified or unclassified position
- Employee is in compliance with County merit system rules, regulations or policies, and/or department rules and policies
- Demonstrated job performance to be able to work independently as determined by the immediate supervisor
- Job performance meets or exceeds expectations
- Employee's telework consists of the employee's regular work responsibilities, including call-back and on-call duties
- Employee's job duties allow him/her to be away from the County work site for a period of time during the work week
- Teleworking does not impede other workers from performing their job duties
- No reduction of service to internal and external customers and clients
- Employee and supervisor agree in writing on a teleworking arrangement, which is approved in writing by the department head or designee.

- Employee has access to required supplies and equipment to telework and has an acceptable workspace and environment to effectively work at home.

- Telework Request and Approval Form is completed and approved
- Telework Agreement/Assignment Form is completed and approved
- c) Teleworking is a management option, not an entitlement. Any telework agreement may be revoked or modified by the Department at any time for any reason. This section is not subject to the grievance procedure.

APPENDIX J – EMPLOYEE ASSISTANCE PROGRAM

County Proposal June 28/July 2

This Agreement represents the results of meeting and conferring in good faith between the County of Santa Clara and ~~legacy Locals 715 and 535, SEIU (currently SEIU Local 521), pursuant to Article 12, Section 12.9 and Article 13, Section 4 of the current Memoranda of Agreement between the County and legacy Locals 715 and 535, (currently SEIU Local 521) respectively.~~

~~It is understood that materials/leaflets/news releases, etc., relating to this program will be developed jointly between County and the Unions.~~

~~The elements of this program are: (1) a Policy Statement, (2) a Referral Procedure, and (3) a Program Structure. Such elements are described below.~~

a) **Policy Statement**

1. The County of Santa Clara recognizes alcoholism, alcohol abuse, and other health and behavioral problems as treatable conditions.
2. A County worker having these conditions will be given the same consideration and offer of assistance presently extended to workers having any other illness.
3. The social stigma associated with alcoholism and alcohol abuse has no basis in fact. It is expected that a County-wide enlightened attitude and a realistic acceptance of these conditions will encourage workers and members of their immediate families who suspect that they have a problem, even in the early stages, to take advantage of the diagnostic, counseling and treatment services available through this the County's Employee Assistance Program (EAP or "Program").
4. The County is concerned with a worker's use of alcohol and with other health and behavioral problems ~~only when they affect his/her job performance~~.
5. It will be the responsibility of the County to ~~implement this policy, and to follow the procedures assuring~~ assure that no worker's request for assistance will jeopardize his/her job security or promotion opportunities.
6. It is recognized that, ~~for purposes of this Program,~~ supervisors do not have the qualifications or the responsibility to make any diagnosis or judgment as to whether or not a worker is an alcoholic or has any other health or behavioral health problem. Supervisors' responsibilities are limited to

assessing job performance and initiating the corrective action appropriate to that level of job performance.

7. Employee Assistance Program records will be kept strictly confidential. Any identifying information about any worker will be given out only with the written approval of the worker.
8. County workers and members of their immediate families who suspect that they have an alcohol or other health or behavioral health problem, even in the early stages, are encouraged to seek confidential assistance by contacting the ~~designated program personnel~~ County's EAP provider or any appropriate public or private service provider.
9. Implementation of this policy will not require, or result in, any special regulations, privilege, or exemptions from the standard administration practices applicable to job performance requirements.
10. Performance problems will be handled in accordance with established County and Merit System procedures and labor-management agreements. Alcoholism, drug, or other personal problems will not be an acceptable reason for lowering job performance standards.
11. Workers who participate in counseling, diagnosis, or treatment may, at their request, use accumulated sick leave, vacation leave, and compensatory time while away from work for such a purpose. Leave of absence without pay, depending upon departmental policies and labor-management agreements, may also be used for these purposes.

A prime objective of this policy is to retain workers who may have or develop alcoholism, ~~or drug dependency,~~ and/or other health and behavioral health issues by helping them to arrest its further advance before the ~~condition-issue(s)~~ render(s) them unemployable.

~~b)~~ **Referral Procedure**

~~These procedures should be followed even when alcohol or other personal problems are obviously involved in the poor work performance. The objectives are:~~

- ~~1. To establish uniform handling of troubled workers, and~~
- ~~2. To reduce or eliminate poor work performance associated with alcohol or other personal problems.~~

~~Job performance issues should generally be resolved in the most informal way possible. Where such problems cannot be so resolved, action that you will take is~~

governed by the following procedures. It is suggested that you determine a course of action based on the observed problems by consulting with your supervisor.

~~**Step 1.** Conduct at least one informal interview where the problems are discussed with the worker and alternatives for correction are identified. The supervisor must decide what is the next step. This may include nothing if the worker refuses to admit a need for change or it may include some very intricate program involvement. The Employee Assistance Program should be offered as a source of help. Assure the worker of the confidentiality of the program and his/her involvement in it. Suggest that if the worker has any questions or doubts about the E.A.P., that he/she discusses it with his/her steward, and provide the worker with Union and E.A.P. leaflets.~~

~~A reasonable amount of time should be allowed for correction of the performance deficiencies.~~

~~Continue to monitor performance.~~

~~**Step 2.** Conduct a formal interview if there is continued poor performance. Discuss the problems and changes needed in job performance.~~

~~Establish what the outcome will be if the changes do not occur; that is, advise the worker of disciplinary proceedings which will follow should he/she not improve his/her performance. Encourage the worker to call the Employee Assistance Program and make an appointment. Re-emphasize to the worker the confidentiality of the Program and provide the worker with Union and E.A.P. leaflets. Suggest that if the worker has any questions or doubts about the E.A.P. that he/she discusses it with his/her Steward. Prepare a written report of the interview in accordance with established procedures.~~

~~Continue observation of performance, documenting changes, if any, and informally discuss such observations with worker.~~

~~**Step 3.** If job performance does not improve, conduct an additional formal interview. Carry out the disciplinary action specified in the last formal interview. Advise of further action if improvement in job performance does not occur. Again, offer referral to the Employee Assistance Program. Re-emphasize confidentiality of the Program. Suggest that the worker discuss it with his/her Steward. Prepare a written report of the interview in accordance with established procedures. Work out with worker a timetable for improvement in job performance.~~

~~Continue observation. If no changes occur, institute discipline as appropriate.~~

~~c) **Program Structure**~~

~~The Employee Assistance Program of the County of Santa Clara will have a structure which recognizes the joint interests of Management and Labor in the carrying out of the Program and in monitoring the Program to assure success.~~

~~The structure of the Program involves two significant elements: (1) E.A.P. Coordinating Counselor and (2) E.A.P. Coordinating Committee.~~

~~The roles of each element are as follows:~~

~~1. **E.A.P. Coordinating Counselor**~~

~~Subject to general supervision and monitoring by the E.A.P. Coordinating Committee.~~

~~— Acts as a primary developer of treatment resources~~

~~— Acts as a primary liaison with treatment resources~~

~~— Coordinates training of supervisors and Stewards~~

~~— Coordinates all other aspects of the Program~~

~~— Reports to and provides information for the E.A.P. Coordinating Committee~~

~~— Acts as the primary counseling and referral agent for the Program~~

~~2. **E.A.P. Coordinating Committee**~~

~~The Employee Assistance Program Coordinating Committee would consist of one member designated by each Union desiring to do so, and a number of members designated by the County Executive, not to exceed the number of Union members.~~

~~The functions of the Coordinating Committee would be as follows:~~

~~— To monitor the overall Program~~

~~— To develop and implement evaluation procedures~~

~~— To review complaints (case problems, failures, discuss possibilities)~~

~~—— To evaluate staff performance~~

~~—— To provide general program direction to the Coordinating Counselor~~

~~—— To approve Steward and supervisor training program~~

~~The Coordinating Committee would meet at least monthly and more frequently as necessary. Release time would be provided for such meetings.~~

~~The Coordinating Counselor would be a full-time administrative position in the Bureau of Alcoholism Services reporting directly to the Director of Alcoholism Services, but generally supervised by the E.A.P. Coordinating Committee.~~

~~**Location** – The geographic location of the Program should be a neutral location and definitely not a Union Office, the Personnel Office or the Bureau of Alcoholism Services. In this way, some control over staff activities could be maintained. There would probably have to be a clerk responsible for making appointments for all counselors and maintaining files and records in order.~~

d) ~~Term~~

~~It is understood that up to ten thousand dollars (\$10,000) has been committed by County from July 12, 1999 to cover the costs of needed services as deemed necessary by the E.A.P. Coordinator in accordance with guidelines established by the E.A.P. Coordinating Committee. Such monies are to be administered by the E.A.P. Counselor and monitored by the E.A.P. Coordinating Committee. Any change in the Program must be by mutual agreement.~~

~~If the Program is not changed, it will be funded at ten thousand dollars (\$10,000) per fiscal year for the term of this Agreement.~~
