

CONTRACT EXTENSION LUMP SUM COMING AUGUST 21, 2026!

★ *NOW WE CELEBRATE* ★

Because SEIU 521 members stood together, one of our key wins from our one-year contract extension is here!

The one year extension was designed to **protect our healthcare, and other hard fought benefits** during one of the toughest economic periods we faced – while giving us time to build the power we'll need to win even more in 2027.

The County will be watching to see whether we're stronger or weaker. **Let's send a clear message: we're united, we're stronger, and we're ready for 2027.**

Code Status	Amount
